

# MC2kW monoblock power amplifier

- MC2kW is the ultimate power in the universe of McIntosh amplifiers.
- Unique three chassis design features two 1000 watt Power Modules combined into a third Output Module - surpassing what is possible from single box designs.
- The logarithmic power requirements of music reproduction require brief bursts of high power amplification. MC2kW is capable of producing 2000 watts continuous power and peaks up to 8000 watts. When combined with the finest loudspeakers, MC2kW will duplicate the dynamic range of live music.
- The Power Modules feature LED illuminated McIntosh globes, laser etched into the back side of the half inch thick glass faceplates. Power output is displayed on the Power Module in a huge blue iconic McIntosh blue Watt meter. The beautiful appearance of the MC2kW amplifier befits its superb performance.

All the power anyone could ever want.

# MC2kW monoblock power amplifier

## Power Output:

2000 watts minimum sine wave continuous, mono.

## Output Load Impedance:

Three sets of terminals for each 8, 4, and 2 Ohms

## Rated Power Band:

20Hz to 20kHz

## Total Harmonic Distortion:

0.005% maximum harmonic distortion at any level from 250 milliwatts to rated power output

## Overall Dimensions of each module (W x H x D):

17-3/4" (45.09cm) x 12-5/16" (31.27cm) (including feet) x 26-5/8" (62.54cm) (including the Front Panel, Handles, Knobs and Interconnect Cables)

## Weight:

Output Module: 123 lbs. (55.8 kg) net; 148 lbs. (67.1 kg) in shipping carton  
Power Module: 127 lbs. (57.6 kg) net; 152 lbs. (68.9 kg) in shipping carton

Output Module

Power Module (2 included)

## For the Consumer's Protection:

In order to ensure the highest level of customer satisfaction, "new" McIntosh products may only be purchased over-the-counter or delivered and installed by an Authorized McIntosh Dealer. McIntosh products that are purchased over the Internet, by phone or mail order are presumed to be "used" and do not qualify for any McIntosh Warranty. McIntosh does not warrant, in any way, products that are purchased from anyone who is not an Authorized Dealer or products that have had their serial number altered or defaced.

## Companion Products

The McIntosh C1000 Tri-Chassis Tube and Solid State Preamplifier, MCD1100 SACD/CD Player, MT10 Turntable, MEN220 Room Correction and the XRT2K Loudspeakers, are logical companions for the MC2kW Monoblock Power Amplifier. Your authorized dealer can provide additional information.
